MESSAGE FROM THE FOUNDER

Dear Friend,

As of today, we need **\$15,000** to move into our new church building by **December 2025**. This stage of the building project is very important to us because believers can praise God for completing a project with God's help and foreign financial aid.

Our people have worked with their own abilities to make Phase 1 happen. That shows me their zeal for the Lord. I am personally looking for either several churches and individuals, or that one church or person who can help us make this stage of our church happen.

Please pray for us. May God lead you and hopefully you can decide to help us to make disciples of Christ in Myanmar.

Thank you,

Rev. Finley Philipose
